St. Mary's Parish Starts Temperance Society with Twenty-two Members -Game with Hanover Team Sat-

A meeting of the men of St. Mary's parish was held in the Sodality room at the rear of the church Monday evening, for the purpose of forming a temperance society. A large number were interested in the plan, as at present there is no temperance union in this town and the need for one is bady felt. The pastor, Rev. U. O. Bellerose, spoke earnestly to the men. John Norton of Norwich also spoke to the assembly present stating that he had not touched a drop of liquor in the past forty years, and what he could do, these men ought to be able

The chief speaker of the evening was William H. McGuiness, county delegate and president of the T. A. B. society of Norwich. Mr. McGuiness said that he would like to get the men together and form a good sized temperance society and that by this he included every man in St. Mary's parish over the age of sixteen and of any nationality. Also, he said, the society need not necessarily be made up of inveterate drinkers, but that men of temperate habits should join the society, for many of the men in the temperance societies throughout the state have never drank in their life. and these men are needed in the society to set a good example for the rest of the members. This speech was applauded vigorously; twenty-two men handed in their names signifying a desire to belong to the society. paster and members intend to fit up rooms where a social evening can be spent in clean, legitimate amusement.

inning game and the Baltics are anxlous to get back at them. The Lost Art of Walking. "It is all very well for forty thousand fans to cheer the physical prowess of a 'Smoky' Joe Wood or a 'Ru'e' Marquard. But it would be more important to know how many of these forty thousand can throw a ball home from center field themselves. It is all very well to have trolleys and motors which make intercommunication easy

between distant points. But it would

be more important to know in how

many cases any useful purpose what.

ever is served by going from one to the other and back again, except the

temporary satisfaction of a vague nervous desire for change; and still more important to know who would have the will-power and the leg-power to get there if he had to walk. Walking requires and develops both. It is good for the body and good for the soul, and to all true lovers of the open road and the Hanover nine on Sayles field next the manifold pictorial beauties of our countryside it is the only form of locomotion. The time will yet come when we shall wark again. It is our fate After all, we were born with legs, not nine trimmed the local team last Sat- motion. cylinders."-American Magazine.
